Supplies

- Cotton 8 yarn, colour 663 from kit 1 or colour 651 from kit 2
- crochet hook 3mm
- a pair of scissors
- darning needle

Stitches used (US terms)

- Double crochet (dc)
- Chain (ch)
- Slip stitch (ss)
- Popcorn stitch (dc5pop)

Tips

- Read through the pattern at least once before you start.
- Feel free to use any colour (but leave colour 726 from kit 1 and 717 from kit 2; these are the colours that you have 4 balls of).
- The aim of this CAL is to let out your creative side, so choose any colours you like! You can even combine multiple colours in one square.
- Use the invisible join method to finish your square, as described in the Tips & Tricks PDF. This ensures that all sides of your square are exactly the same, which will make crocheting them together at the end a lot easier.
- Sew in the ends right after you finish your square.
- To get the best result, block your squares. You can find more info on how to do this in the Tips & Tricks PDF.
- **If you want to print the pattern, please only print page 4.** This is a special page, designed to use the least amount of ink and of course paper.
- Have fun! :)

Finished blocked square measures around 7 inches/18 cms.

Square week 2

Kit 1 - colour 663

Kit 2 - colour 651
